

VOLUNTARY WATER RESTRICTIONS

Important information regarding summer water usage

It's drier than usual this year, help us use water efficiently!

The Town Board of Trustees has approved voluntary watering restrictions for the summer months. Town asks that you abide by the following outside watering schedule:

Odd number addresses: Tuesday – Thursday - Saturday

Even number addresses: Wednesday – Friday - Sunday

No watering on Mondays.

Please water between the hours of 6:00 p.m. – 9:00 a.m.

Please Call Public Works at 395-6898 if you have any questions or need help.

Thank you for your help!

MAKE EVERY DROP COUNT!!

As we enter irrigation season, here are a few key tips to make the most of this vital resource:

- ✓ Adjust your sprinklers for max efficiency
- ✓ Check systems for leaks
- ✓ Add mulch around plants and trees
- ✓ Install soil moisture and water sensors
- ✓ Water at night when evaporation levels are low.
- ✓ Turn sprinklers off when it's raining or during high winds
- ✓ A reminder that if you water during the heat of the day, you may lose approximately 50% of the water to evaporation.
- ✓ Alternating days will help balance water production at the treatment plants, ensures redundancy and provides ideal water pressure in the system.

These measures will help reduce the potential for mandatory water restrictions.
