

The Town of Buena Vista invites you to participate in our Memorial Bench Program. The program provides a special way to honor a loved one, celebrate a special event in your life, or recognize a person or organization that has made a difference in the community.

GUIDELINES

You may participate in the program by making a donation of \$2,000, which covers the cost of the bench, the zinc plaque, and installation by town staff. Benches are cedar-colored, six feet wide, and made of a high-quality, durable DuMor recycled plastic product.

At the donor's request, the 2" x 10" zinc plaques can be personalized with a message of up to 56 characters. The placement of plaques will be determined on an individual basis. All text submitted for plaques is subject to approval by town staff.
