

## The Buena Vista Tree Board “Adopt-A-Tree” Program

The Tree Board of Buena Vista has trees for adoption. Trees are available to Town residents who are willing to care for and water a tree planted on Town property adjacent to their own property.

If you are living within the Town limits of Buena Vista and are willing to commit to watering a street tree for a minimum of 2 years, fill out the information below and return this application to Buena Vista Town Hall at 210 East Main Street or mail to PO Box 2002, Buena Vista, CO 81211.

If your site is chosen as a possible tree planting site, you will be asked to sign a pledge to water and care for your tree.

All trees will be purchased and installed by the Town of Buena Vista. Other than the monthly charge for water usage, there will be no charge to the property owner.

The Tree Board will select the date for planting and notify the homeowner of that date. The Tree Board will also choose the tree species and site.

For more information, please contact the Public Works Department at 395-6898.
